\$550K

Strategic Services & Programs

\$1.6M

\$1.6M

Support Services

\$300k

\$300k

There are many opportunities for you to invest in global church planting:

SUPPORT A SPECIFIC CHURCH PLANT.

Redeemer Church Planting Center contributes between \$40—\$80K toward the launch of each church plant. These costs include recruitment & training of a lead pastor, start up costs like church facility rental, and consulting by RCPC staff.

SUPPORT A SPECIFIC CITY.

To begin church planting in a targeted city can cost anywhere from \$10K—\$30K. These costs include research, networking and church planter selection.

SUPPORT TRAINING & CONSULTING.

We recruit, assess, train and coach church planters in New York City & other global cities. We deliver training and programs to serve and prepare planters and leaders. These costs range from \$5K—\$50K per project.

On October 3rd, 2008 we hosted an event just like this one, and many of you invested in this vision and our work. Since October 2008 we have trained many pastors and leaders, and many church plants have launched. This is some of what you've helped us accomplish.

Programs to develop church planters took place in the following international cities:

East Asia – 20 leaders
Hong Kong – 225 leaders
London – 360 pastors & church planters
São Paulo, Rio de Janeiro, Belo Horizonte – 60 church planters

The following programs and events for global church planters took place in New York:

Global Cities Initiative Conference – over 400 leaders from 50 global cities gathered together to sign a covenant committed to planting Gospel-centered churches in global cities.

RCPC Network Leaders Forum – 23 network leaders met to strategize how to advance church planting in their native cities of Amsterdam, Barcelona, Berlin, Birmingham, Budapest, Dublin, Johannesburg, Kuala Lumpur, Los Angeles, Miami, Prague, Monterrey, Rome, Taipei, Toronto

RCPC Fall Intensive – 11 church planters were trained to go back to their cities and plant in Barcelona, Budapest, Cape Town, Dublin, Johannesburg, London, Monterrey, Paris and Seoul.

RCPC Year Long Fellows Program – 4 church planters participated & 3 churches have already started in New York City

RCPC Urban Incubator Training – 18 church planters are currently participating in a 2-year training program for planting in NYC.
